Hon Philip Hammond MP-Chancellor of the Exchequer

Greetings.

This is a £4,000,000,000.00 Hut Tax Refund claim based on original B.S.A.C Financial statements in our archive and to be published on rhodesialeaks.com. The African people were forced to pay HUT TAX in cash, labour or livestock. Hut Tax reduced the native people and their offspring to extreme poverty. Therefore the British Crown and Government has a moral and financial obligation to REFUND THE HUT TAX.

Attached is the HM REVENUE and Customs Tax Claim form and correspondence to Number 10, The Cabinet and Attorney General. The case is also detailed on our website Rhodesia Leaks

We also have original stock certificates and financial reports concerning the matter and would be most happy to send certified copies to you.

We look forward to hearing from you.

Kind Regards
